

Ocean Freight

UPS Supply Chain Solutions® offers a full array of freight forwarding and transportation services. Using our global network, we can manage your ocean freight transportation and accommodate various shipment sizes. Our advanced tracking technology provides visibility of critical milestones.

Streamlined freight forwarding

We can provide a single, streamlined source to book your cargo, arrange for pickup and manage the shipping documentation.

Comprehensive ocean transportation services

As a top ten Non-Vessel Operating Common Carrier (NVOCC)*, we can maximize your routing and transit time options by managing your ocean shipments from door-to-door with ease, visibility and global reach.

Full-container-load service

We offer frequent departures at competitive rates for full-container-load (FCL) shipments from all major ports around the world.

Less-than-container load service

We provide less-than-container load (LCL) departures between all major markets, managing every step to give you visibility throughout the process.

Supplier Management

Utilizing our global infrastructure, we manage your purchase orders and provide you with visibility and reporting down to the carton or SKU/item level.

Customs Brokerage

As one of the world's largest customs brokers, we can transmit your shipment data to the destination prior to the vessel's arrival, initiating the customs clearance process to help ensure timely release of your goods.

LU

S

1) Negotiated outside of the INCOTERMS. Buyer or seller may have additional "insurable interest" and prudence may indicate purchase of additional coverage.

2) Terminal fee goes to seller, vessel loading to buyer.

3) Item depends on named place.

4) Terminal charge goes to seller if loaded at seller's door, terminal charge goes to buyer if loaded at carrier's terminal.

5) Seller assists in obtaining consular work, buyer pays any costs DES/DEQ used primarily for charters (refer to INCOTERMS), International Chamber of Commerce (ICC) arbitration is available if noted as part of the contract between the seller and buyer.

Note: This chart is for informational purposes only. UPS Ocean Freight Services, Inc. recommends consulting a trade attorney for all international transactions.
